Bryngaer Pen Dinas Pen Dinas Hillfort

Dwy fil o flynyddoedd yn ôl roedd bryngaer ar ben y bryn hwn a elwir yn Pen Dinas. Gallwch weld grwpiau crwn o gerrig; dyma olion y tai crwn a fyddai wedi'u hamgáu gan yr amddiffynfeydd ar y safle hwn. Roedd y fryngaer yn fwy nag aneddiadau eraill cyfagos, gallai hyn fod oherwydd ei fod yn ganolfan fasnachu, neu'n gartref i arweinydd grymus.

Two thousand years ago on the top of this hill, known as Pen Dinas, was a hillfort. You can see circular shaped groups of stones; these are the remains of the round houses that would have been enclosed by the defences of this site. The hillfort was larger than other nearby settlements, maybe because it was a trading centre, or the seat of a powerful leader.
